	<input type="checkbox"/> LLA-7016UE	Spike pole H230

Technical Data

Dimension	: D.105/L.190/H.435mm
Weight	: 3.0 Kg
Light source	: LED
Wattage	: 26W
Lumen, Color temp.	: 1460Lm(3000K)
Beam angle	: 14°
CRI	: 83
Protection Class(IP)	: IP65

Component & Information

Aluminum die-casting body, Aluminium extrusion pole, marine-grade painting with stainless color
 Sainless steel base plate, black painted
 Tempered glass cover clear, Optical control lens
 *Internal LED driver for 100~242V, Non-dimmable
 *Two optional accessories can be used together.

Feature

Ruggedness to withstand harsh environments, and complete straight cylinder shape to harmonize with the appearance

Double waterproof structure / IP65

*Secondary waterproof for LED and internal driver
 *Primary waterproof for main body

Two optional lens and filters can be installed

Flat surface with no water puddle even with upward lighting

Tilting angle scale

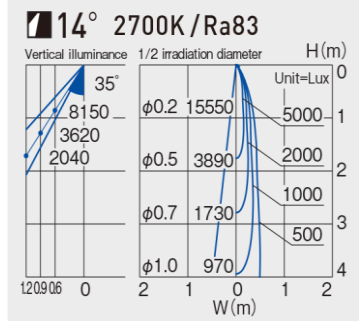

Lock function

for rotation

for tilting

Glareless black baffle mechanism realizing 40° cut-off angle

Luminaire position 900mm from wall, Tilting 35°
